

NATIONAL PREMIER LEAGUES (NPL) PLAYER ROSTER PRINCIPLES

Football Australia's XI Principles outlines the importance of ensuring alignment in the Australian football pyramid, which is connected through optimised and consistent competition structures, as well as establishing, evolving and growing a modern domestic transfer system (DTS).

The domestic transfer system includes a series of measures which are designed to grow the Australian football economy, reward and protect Clubs investing in player development, incentivise more Clubs to train and develop higher quality players, increase the length of contracts for young players, reduce unnecessary restrictions on the market, and comply with FIFA regulations.

In line with these principles, Football Australia presents the National Premier Leagues (NPL) Player Roster Principles. These principles include the below objectives, which align with the domestic transfer system initiatives:

- Provide greater opportunities to Australian players
- Ensure a focus on youth development
- Incentivise and reward Clubs that develop players
- Simplify the roster management system for the NPL
- Establish consistent roster principles at multiple levels of the football pyramid, with specific numbers and elements to be adapted for the level of competition

NPL FIRST TEAM PLAYER ROSTER PRINCIPLES - ADDITIONAL INFORMATION

Additional information for each player roster category and principle outlined in the above table, as well as a few related domestic transfer system initiatives, is included below.

FIRST TEAM PLAYER ROSTER MINIMUM AND MAXIMUM

At all times during a NPL season, a NPL Club must include a minimum of 20 Players on its First Team Player Roster and may include a maximum of 23 Players on its First Team Player Roster.

All Players must be registered to the appropriate age-category (where applicable). Any Player who during the 2026 NPL season exceeds the age-limit for the oldest NPL Age-Eligible Team at an NPL Club (e.g. a 24-year-old in an U23 competition), must be included on his NPL Club's First Team Player Roster.

All NRR Prescribed Form 05 –Professional Player Contracted Players must be listed on to NPL Club First Team Roster and registered through the [Domestic Transfer Matching System \(DTMS\)](#) as necessary.

NPL Club First Team Player Rosters must list a minimum of two (2) Australian Goalkeepers.

U23 AND U20 YOUTH PLAYERS

Football Australia is committed to promoting a greater focus on the importance of youth development in an increasingly competitive global market.

As a result, one of the key Player Roster Principles in 2026 will capture the requirement for NPL Clubs to list a minimum of five (5) U23 Youth Players on its NPL Club First Team Matchday Team Sheet of up to eighteen (18) players, of which two (2) must be U20 Youth Players, with the aim of increasing match minutes for youth players. This minimum will increase to six (6) U23 Youth Players in 2027, of which three (3) must be U20 Youth Players.

Please refer to the table below which categorises Youth Player year of birth for the 2026 NPL season:

PLAYER'S AGE AS AT 31 DECEMBER IN CURRENT NPL SEASON

- 23 years old (2003)
- 22 years old (2004)
- 21 years old (2005)
- 20 years old (2006)
- 19 years old (2007)
- 18 years old (2008)
- 17 years old (2009)
- 16 years old (2010)

AUSTRALIAN PLAYER

An Australian Player is any Player who is:

- a) a citizen of Australia;
- b) a Permanent Resident of Australia (where Permanent Resident means a person residing in Australia on a "permanent" visa class issued by the Australian Government, evidenced by either the person's Visa Grant Notice or as a listed entitlement on the person's online Visa Entitlement Verification); or
- c) the holder of a refugee visa, humanitarian visa or protection visa issued by the Australian government. For further details see: <https://www.homeaffairs.gov.au/>.

NATIONAL PREMIER LEAGUES (NPL) PLAYER ROSTER PRINCIPLES

VISA PLAYER

Member Federations and NPL Clubs are encouraged to refer to the following website for further clarification regarding visas: <https://www.homeaffairs.gov.au/>.

For the purposes of the NPL Player Roster Principles, a New Zealand Citizen is classified as a Visa Player unless he satisfies the definition of an Australian Player. Please refer to the Department of Home Affairs for further clarification regarding the visa status of New Zealand Citizens in Australia: <https://www.homeaffairs.gov.au/>.

HOMEGROWN PLAYER

The Homegrown Player category is a Football Australia initiative to encourage more players on the First Team Player Roster to be developed within the Club from an earlier age, with the intention of promoting investment into club-based talent between the ages of **U12 to U21**. In 2026, an NPL Club must have a minimum of three (3) Homegrown Players on their NPL First Team Player Roster.

A Player does not need to be registered in continuous seasons in a NPL Club's Age-Eligible Teams to be considered as Homegrown Player.

Example: A player is required to be registered to an NPL Club for a total of three (3) seasons or 36 months. For avoidance of doubt, this may be for the **U12** and **U16** and **U20** teams, and the player could have been registered with another Club for his **U13, U14 & U18** season.

LOANED PLAYER

In line with FIFA implemented international loan provisions and Football Australia implemented domestic loan provisions, NPL Clubs will adhere to a limit on the total number of domestic and international loans, as outlined below:

Domestic Loans: Six (6) players loaned out and six players loaned in from 1 July 2024 and beyond.

International Loans: Six (6) players loaned out and six players loaned in from 1 July 2024 and beyond.

Additionally, a maximum of three (3) players may be loaned out to the same club and a maximum of three (3) players may be loaned in from the same club.

Example: The below table provides an example which uses South Melbourne FC as a Parent Club. Two of the requested loans have been denied due to the regulations as outlined.

For avoidance of doubt for both international and domestic loans, the loan of a player is exempt from the total loan limits if the professional is a club-trained player with the parent club, as defined in the Football Australia National Registration, Status and Transfer Regulations (NRSTRs), and the loan occurs before the end of the season in which the player turns 21.
