

COMMBANK EMERGING MATILDAS CHAMPIONSHIPS

9 - 15 APRIL 2026

TOURNAMENT PROGRAM

MELBOURNE
EVERY BIT DIFFERENT

ACKNOWLEDGEMENT OF COUNTRY

Football Australia acknowledges the CommBank Emerging Matildas Championships will be taking place on the lands of the Wurundjeri People of the Kulin Nation - the Traditional Custodians of the land now known as Melbourne. Today and always, we recognise and acknowledge Aboriginal and Torres Strait Islander peoples as the first inhabitants of Australia and that sovereignty was never ceded. We extend this respect and honour to all First Nations Elders of past, present, and future generations.

FOOTBALL AUSTRALIA BOARD WELCOME

It is my great honour to welcome you to the 2026 CommBank Emerging Matildas Championships and CommBank Emerging Socceroos Championships — two cornerstone events in Australian football that continue to shape the future of our national teams and our game.

Building on the strong foundation established last year, these Championships now stand as a central pillar in Football Australia's talent development pathway. They reflect our clear and deliberate commitment to identifying, developing and supporting the next generation of players, coaches and match officials who will represent Australia on the world stage.

Aligned with the CommBank Matildas and CommBank Socceroos, the CommBank Emerging Championships provide a high-performance environment that mirrors the standards, expectations and professionalism of our senior national teams. Through integrated coaching, performance insights, and a focus on holistic development, participants are given the tools to take the next step in their football journey.

We are also pleased to welcome international participation in this year's tournaments, including teams from the Japan Football Academy and Vietnam Football Federation. Their involvement further strengthens the quality of competition and reflects the growing connection between Australia and our regional partners.

This year represents a defining period for football in Australia. The CommBank Socceroos will compete on the global stage at the FIFA World Cup 2026™ mid-year, while the successful delivery of the AFC Women's Asian Cup 2026 and

the CommBank Matildas' success represents a significant moment for our region — highlighting the importance of strong, connected pathways to the highest levels of the game.

These Championships are also a powerful expression of the scale and strength of our game. With more than 1.9 million participants, football in Australia continues to grow — and this event represents the very best of that pipeline. It is here that potential is recognised, ambition is tested, and future internationals begin to take shape.

Importantly, this event reflects a united football ecosystem. It brings together Member Federations, coaches, referees, support staff and families from across the country, all contributing to a shared objective — strengthening the future of Australian football.

To every participant, congratulations on earning your place. You represent the next generation of Australian football, and with that comes both opportunity and responsibility. Embrace the challenge, compete with pride, and make the most of every moment.

I wish you all the best for a successful and memorable tournament.

Anter Isaac
Chairman
Football Australia

FOOTBALL AUSTRALIA CEO WELCOME

On behalf of Football Australia, I am pleased to welcome all players, coaches, officials and supporters to the 2026 CommBank Emerging Matildas Championships, proudly hosted at the state-of-the-art Home of the Matildas at La Trobe University in Bundoora.

These Championships represent a key moment in our football calendar and an important expression of our commitment to developing the next generation of Australian talent. As the premier youth girls' tournament in the country, it provides a critical platform for identification, progression and connection to our national team pathways.

Many players who have progressed through this competition have gone on to represent Australia at the highest level. These Championships are where ambition meets opportunity — where players are challenged, supported and prepared for the demands of professional international football.

Bringing together teams from across our Member Federations, this event showcases the depth and diversity of talent across Australian football. It also provides a high-performance environment aligned with our national team systems, with every player given the opportunity to perform in front of national team coaches and technical staff as they continue their development both on and off the pitch.

This year also holds particular significance for our game, with the CommBank Matildas securing qualification for the FIFA Women's World Cup 2027™ in Brazil and competing in the recent AFC Women's Asia Cup 2026. Moments like these reinforce the importance of strong development pathways, and the role tournaments such as

these Championships play in preparing the next generation for the international stage.

We are also pleased to welcome the participation of the Vietnam Football Federation, whose involvement enhances the level of competition and reflects the strong and growing ties between Australia and our peers in the region.

I would like to acknowledge and thank CommBank, and all our partners for their continued support, and for hosting this year's Championships at the Home of the Matildas — a world-class facility that is central to the future of women's football in Australia. I also extend my appreciation to Football Victoria, the coaches, referees, staff, and volunteers whose contribution ensures the success of this event.

To the players: have fun, you have earned your place here. Embrace the challenge, represent your team with pride, and make the most of every opportunity. To families and supporters, thank you for the role you play in supporting the journey of these young athletes.

I wish everyone involved a successful and memorable tournament.

Martin Kugeler
Chief Executive Officer

VENUE MAP

COMMBANK EMC GROUPS & FIXTURES

PRE-TOURNAMENT TESTING – TD1 THURS 9 APRIL

For the second year running, Football Australia will put every CommBank Emerging Matildas Championships athlete through their paces as part of the tournament’s pre-tournament testing program.

Cutting-edge testing and performance technology are helping shape a more personalised pathway to national team success at the 2026 CommBank Emerging Matildas Championships.

Held at Home of the Matildas, Bundoora, more than 400 players will complete physical testing ahead of Match Day One action. The assessments are designed to reflect elite-level standards and provide insight into key performance markers such as sprint speed, jump height and anthropometry.

Players will complete Football Australia’s Perform Plus warm-up—an evidence-based routine designed to enhance performance and help reduce injury risk—before undertaking a 20-metre sprint (acceleration), a countermovement jump (explosive power), and a series of body measurements including height, weight and seated height.

The results provide valuable information for coaches and technical staff nationwide, supporting talent identification and tracking, while giving players and Member Federations a clear benchmark for ongoing development.

Combined with on-field performances, this testing data forms a key part of Football Australia’s long-term plan to uncover the next generation of CommBank Matildas.

Workshops

Goalkeeper Workshop

Football Australia’s National Teams Unit Goalkeeper Coach will deliver a dedicated goalkeeper workshop for Member Federation Goalkeepers and Goalkeeper coaches.

Pre-Tournament Meeting

Football Australia’s Competitions Team and key departments will host a pre-tournament briefing outlining important competition and event information for the Championships. Attendance is mandatory for all team officials prior to the commencement of the tournament.

CHARLES PERKINS XI

The Charles Perkins XI is Football Australia's national First Nations Football development program. Originally established as the Invitational XI in 2023, the program was created to identify talented Aboriginal and Torres Strait Islander players with access to elite development and competition opportunities. Now competing under the name Charles Perkins XI, the team continues to grow in strength and profile and is now a regular participant in the CommBank Emerging Championships.

The program is supported by Football Australia and partner organisations, with a focus on player development and cultural connection. The name change recognises Dr Charles Perkins, a proud Arrernte and Kalkadoon man who was an accomplished footballer and one of Australia's most prominent Aboriginal leaders. Renaming the team in his honour reflects the program's broader commitment to recognising First Nations excellence in sport, leadership, and community.

The Program also allows for First Nations coaches to give back to the community and elevate the next generation of First Nations Footballers.
