

# FA Responsible Service of Alcohol Policy

Football Australia recommends that Regions/Associations and their member Clubs adhere to the strict guidelines regarding the responsible consumption of alcohol.

Responsible service and consumption of alcohol should apply to any alcohol to be consumed during or after the competition has concluded. Responsible service of alcohol will entail:

- (a) Making sure light alcohol and soft drinks are always available as alternatives to full strength alcohol;
- (b) Wherever possible, food being available to be consumed when alcohol is available;
- (c) Transport policies, and Board/Committee Members being in attendance to ensure appropriate practices are followed.
